Due to scale of map, parcels of BLM lands containing 10 acres or less may not be shown.

This is a graphic representation only. For detailed information, contact the BLM Resource Area Office in Missoula, Montana.

Wilderness Study Areas (WSA's) which will be managed under the BLM Interim Management Policy until reviewed and acted upon by Congress. Includes those WSA's identified under Section 603 of FLPMA, and areas studied under Section 202 of FLPMA and recommended as suitable for wilderness designation. The Quigg West WSA would be managed as a Special Management Area (MA9) in the event the adjacent Forest Service Quigg Rare II area is not designated as wilderness.
